Novel coronavirus, COVID-19

What is the current situation in Sudbury and districts?

The [Provincewide Shutdown](#) (Government of Ontario) remains in effect. Public Health Sudbury & Districts' service area, including Greater Sudbury and the districts of Sudbury and Manitoulin, is in a continued temporary shutdown until at least **January 23, 2021**. Time-limited, widescale measures and restrictions are in effect. Individuals should stay home as much as possible except for essential reasons, work remotely, and avoid travel.

Elementary students and secondary students in the seven Northern Ontario public health unit regions will proceed with returning to in-person learning on January 11, 2021.
