Your Donations

Funds raised by the St. Joseph's Foundation of Sudbury help support St. Joseph's Health Centre; a non-profit organization that provides services for some of the most vulnerable citizens within the Greater Sudbury Community.

The SJHC oversees the operations of:

St. Joseph's Villa

St. Joseph's Continuing Care Centre

Villa St. Gabriel

Your Dollars at Work

Over the years, fundraising dollars have contributed to the purchase of many valuable items such as: a fleet of wheelchairs, a Healing Garden and a Handi-Transit bus. These investments have allowed the SJHC to increase the quality of programs and services for patients and residents.

History

The St. Joseph's Foundation of Sudbury was established in 1998 to fund the good works of The Sisters of St. Joseph of Sault St. Marie in the District of Sudbury. Among their many contributions, the Sisters founded the Sudbury General Hospital which moved from its Paris Street location in 2009, and remains open as the renamed St. Joseph's Health Centre (SJHC) situated on South Bay Road in Sudbury.

St. Joseph's Health Centre oversees the operations of St. Joseph's Villa, a 128-bed long-term care home, St. Joseph's Continuing Care Centre, a 64-bed complex continuing care hospital, which is co-located on this site, and Villa St. Gabriel Villa, a 128-bed long-term care home located in Chelmsford, Ontario.
