

St. Joseph's Continuing Care Centre

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE FOLLOWING POSITION:

Physiotherapist

Working at St. Joseph's Continuing Care Centre is a great career choice! It offers full-scope practice for RNs and RPNs in a rehabilitation environment where we focus on holistic wellness, re-activation and helping patients achieve maximum recovery and independence. Enjoy the wonderful advantage of really getting to know our patients during their recovery weeks with us where they enjoy group leisure activities, communal dining and progressive therapies. As a not-for-profit organization, we focus our resources on our staffing ratios, high quality meals and innovative patient services. Consider our rehab environment as a unique opportunity to make a genuine difference in the lives of others.

PERMANENT FULL-TIME

Wage Grid: \$35.99 - \$41.88 (commensurate with experience)

The Physiotherapist works as part of the interprofessional team to define and work with patients to achieve their individual goals. They develop and implement individualized care programs that address functional decline and support a discharge back to the community. The Physiotherapist works closely with the Rehabilitation Assistants and other members of the care team in providing care to a predominately geriatric population.

QUALIFICATIONS:

- Current registration in good standing with the College of Physiotherapists of Ontario
- Experience in geriatrics, assistive mobility device prescription, leadership and rehabilitation preferred

NOTE: The successful Physiotherapist may qualify for a Rehabilitation Professionals Incentive Grant of \$5,000 per year for three years which is paid by the Underserved Area Program of the Ministry of Health and Long-Term Care.

We thank all applicants for their interest and invite applications from persons with disabilities. Only those applicants selected for interviews will be contacted. Please advise at the time of contact if you require accommodations for your interview.

ABOUT ST. JOSEPH'S CONTINUING CARE CENTRE:
