

St. Joseph's Continuing Care Centre

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE FOLLOWING POSITION:

Registered Social Worker

Working at St. Joseph's Continuing Care Centre is a great career choice! It offers full-scope practice for RNs and RPNs in a rehabilitation environment where we focus on holistic wellness, re-activation and helping patients achieve maximum recovery and independence. Enjoy the wonderful advantage of really getting to know our patients during their recovery weeks with us where they enjoy group leisure activities, communal dining and progressive therapies. As a not-for-profit organization, we focus our resources on our staffing ratios, high quality meals and innovative patient services. Consider our rehab environment as a unique opportunity to make a genuine difference in the lives of others.

Permanent FULL TIME - Clarion Site

Anticipated start date: Immediately

Wage range: \$31.93 - \$37.57

The Social Worker works with patients and their families to restore, maintain and enhance the patients' quality of life by optimizing strengths, coping capacities and resiliency. The Social Worker supports patients as they relate to others, addresses environmental stressors and provides psychosocial education related to wellness and well-being. He/She works collaboratively as part of the interprofessional team to address the social and emotional impact of physical and cognitive impairment, with an emphasis on identifying solutions to issues that interfere with optimal quality of life.

Additional duties include:

- Providing support before, during and after transitions of care
- Maximizing the coping capacities of patients and families and facilitating crisis intervention as needed
- Performing psychosocial assessments and evaluating patients' self-assessments of quality of life
- Participating in discharge planning and linking patients with community services, resources and opportunities

QUALIFICATIONS:

- Bachelor's degree in Social Work from an accredited university
- Active registration and licensure with the Ontario College of Social Workers
- At least two years of experience in health care. Experience in geriatrics and/or rehabilitation preferred.
- Bilingualism is considered an asset

We thank all applicants for their interest and invite applications from persons with disabilities. Only those applicants selected for interviews will be contacted. Please advise at the time of contact if you require accommodations for your interview.

ABOUT ST. JOSEPH'S CONTINUING CARE CENTRE:

St. Joseph's Continuing Care Centre of Sudbury is Northeastern Ontario's only rehabilitative and continuing care hospital. Our goal is to provide active rehabilitation to address functional decline so that patients can transition back to the community or to a lower level of care. We are a faith based organization guided by the core values of Service, Integrity, Dignity and Excellence with a focus on a culture of caring.

If you share a genuine commitment to the wellbeing and care of patients, please consider joining our team of dedicated professionals.

HOW TO APPLY:

Please indicate the Job Title of the position to which you are applying in the subject line of your email or fax cover sheet.
