

## Villa St. Gabriel Villa

Villa St. Gabriel Villa is a 128-bed long-term care home providing the highest standards of resident care. The home is located in Chelmsford. Our approach to holistic care respects the unique needs and fosters the spiritual, physical and emotional well-being of each of our residents.

We are a faith based organization guided by core values of Service, Integrity, Dignity, and Excellence with a focus on a culture of caring. If you feel that you are a good fit for our organization, please apply!

La Villa St.-Gabriel, un établissement de soins de longue durée de 128 lits, situé dans la communauté de Chelmsford, est engagé à répondre aux normes les plus élevées en termes de soins aux résidents. Nous recherchons des professionnel(les) consciencieux(euses) qui ont vraiment à Cœur le bien-être de nos résidents.

Nous sommes un organisme fondé sur la foi et guide par quatre, valeurs fondamentales; le service, l'intégrité, la dignité et l'excellence. Nous accordons une importance particulière à la bienveillance et à l'empathie. Si vous croyez correspondre à ce que nous recherchons, veuillez poser votre candidature.

**WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE FOLLOWING POSITION:**

### ASSISTANT DIRECTOR OF CARE for VILLA ST. GABRIEL VILLA

TEMPORARY FULL-TIME

**Hourly Wage rate: \$39.19 - \$46.35**

The Assistant Director of Care (ADoC) supports the Director of Care (DoC) in ensuring the quality of care provided to the residents at Villa St. Gabriel Villa. He/she works collaboratively with the interprofessional team, residents and families regarding resident-centered care and related practice and operational issues. Supervision and operational support for the registered staff on the afternoon shift is a key responsibility. The ADoC also assists with ongoing education to ensure competence of staff and compliance to all legislative, regulatory, organizational and accreditation requirements.

#### Additional duties include:

- Providing supervision, leadership and direction through the afternoon shift (4pm-12am)
- Assisting with the management of infection control protocols
- Reviewing and implementing clinical policies and processes
- conducting investigations and monitoring medication administration (including medication processes and errors)

#### QUALIFICATIONS:

- Registered Nurse with current registration with the College of Nurses of Ontario
- solid clinical background and expertise with a minimum of 2 years of front-line nursing experience
- experience in nursing leadership preferred
- proven ability to work collaboratively and serve a mentorship role in an interdisciplinary team environment
- ability to facilitate and manage change and to be flexible, innovative and creative
- excellent communications skills for interacting with residents, families, staff, and the general public
