

St. Joseph's Continuing Care Centre

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE FOLLOWING POSITION:

Registered Practical Nurse (RPN)

Working at St. Joseph's Continuing Care Centre is a great career choice! It offers full-scope practice for RNs and RPNs in a rehabilitation environment where we focus on holistic wellness, re-activation and helping patients achieve maximum recovery and independence. Enjoy the wonderful advantage of really getting to know our patients during their recovery weeks with us where they enjoy group leisure activities, communal dining and progressive therapies. As a not-for-profit organization, we focus our resources on our staffing ratios, high quality meals and innovative patient services. Consider our rehab environment as a unique opportunity to make a genuine difference in the lives of others.

JOB DESCRIPTION:

Registered Practical Nurses plan, assess and deliver full-scope direct nursing care for patients in accordance with the plan of care and established policies and procedures. They are responsible for assisting patients with activities of daily living, administering medications, documenting progress and evaluating patient outcomes. Registered Practical Nurses participate as part of an interprofessional team providing front-line care for patients in assess/restore, geriatric rehabilitation and medically complex programs.

QUALIFICATIONS:

- Current registration in good standing with the College of Nurses of Ontario
- 1-2 years of experience in a hospital setting (rehabilitation focus)
- Ability to provide full-scope practice
- Experience in geriatrics and rehabilitation would be considered an asset
