

St. Joseph's Continuing Care Centre

Working at St. Joseph's Continuing Care Centre is a great career choice! We aim to improve holistic wellness and support patients to achieve their meaningful goals and maximize their recovery and independence. As a not-for-profit organization, we focus our resources on staffing ratios, health and wellness and access to a variety of supports such as spiritual care and geriatric experts. Come work for Northeastern Ontario's only stand-alone rehabilitation hospital and make a genuine difference in the lives of others while at the same time being able to enjoy Northern Living not far from work.

WE ARE CURRENTLY ACCEPTING APPLICATIONS FOR THE FOLLOWING POSITION:

PHYSIOTHERAPIST
Permanent FULL TIME
Start date: Immediate
Wage rate: \$36.67 to \$43.80 (commensurate with experience)

The primary goal of the Physiotherapist is to ensure our patients are receiving high quality, person-centered care that aligns with our values of Dignity, Service, Excellence and Integrity. Our Physiotherapists work within an interprofessional team setting to define our patients' individual goals and create realistic plans to achieve them through slow-paced rehabilitation and strengthening. They develop and implement individualized care programs that address functional decline and support a discharge back to the community. The Physiotherapists work closely with the Rehabilitation Assistants and other members of the care team in providing care to a predominately geriatric population.

QUALIFICATIONS:

- Current registration in good standing with the College of Physiotherapists of Ontario
- Experience in geriatrics, rehabilitation and leadership preferred
- COVID Vaccination required to work in our facility (2 Doses)

NOTE: The successful Physiotherapist may qualify for a Rehabilitation Professionals Incentive Grant of \$5,000 per year for three years which is paid by the Underserved Area Program of the Ministry of Health and Long-Term Care.

ABOUT ST. JOSEPH'S CONTINUING CARE CENTRE:

St. Joseph's Continuing Care Centre of Sudbury is Northeastern Ontario's only rehabilitative and continuing care hospital. Our goal is to provide active rehabilitation to address functional decline so that patients can transition back to the community or to a lower level of care. We are a faith based organization guided by the core values of Service, Integrity, Dignity and Excellence with a focus on a culture of caring.

If you share a genuine commitment to the wellbeing and care of patients, please consider joining our team of dedicated professionals.
