St. Joseph's Health Centre Sends Cheers to our Volunteers!

**IT'S TIME TO APPLAUD
CANADA'S VOLUNTEERS**

NATIONAL VOLUNTEER WEEK 2020
APRIL 19-25
VOLUNTEER.CA | #NVW2020

National volunteer week represents an opportunity for us to pause and express our gratitude toward our passionate volunteers who make it possible for us at St. Joseph's Health Centre, St. Joseph's Continuing Care Centre, St. Joseph's Villa and Villa St. Gabriel Villa to deliver on our Vision of *Making Lives Matter*.

We are thankful to each and everyone of our volunteers, thankful - for their dedication, their loyalty, and their commitment to our residents, patients and staff. This past year, our more than 300 volunteers have contributed over 14,000 hours of caring support!

It is our time to applaud OUR VOLUNTEERS!

For those who are able to continue to volunteer during these tumultuous times, we are truly grateful. To all others, we look forward to seeing you again soon! Please stay healthy!
